

INNODIA Symposium & Networking Dinner @ EASD

– REGISTRATION NOW OPEN

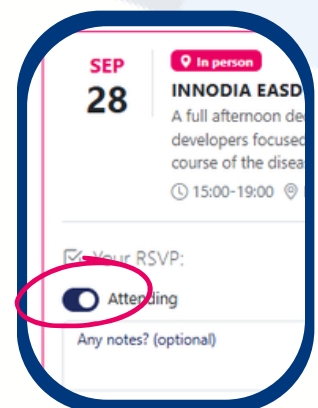

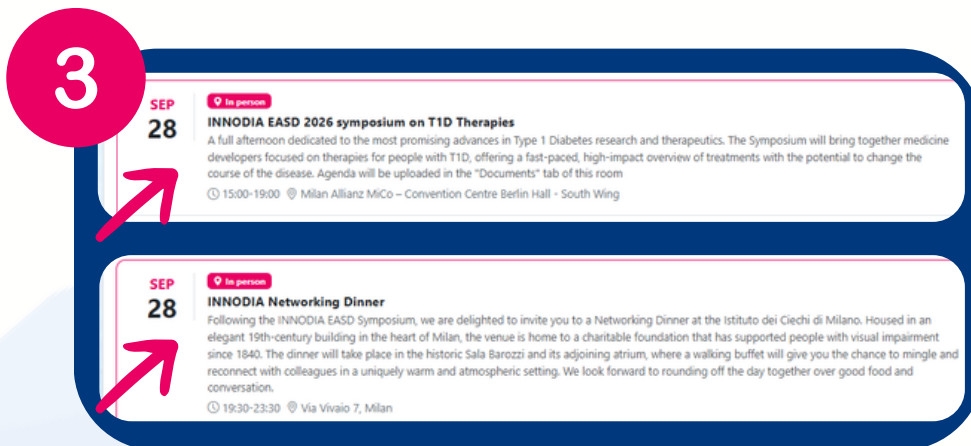

Registering takes a couple of minutes in the myINNODIA app. Follow these steps.

Open the app and go to **My Rooms**

Open **The Hall** Room and go to **Events**

You'll see the INNODIA EASD Symposium, and the INNODIA networking Dinner, both on September 28.

For both of them, enable the "**Attending**" button. Optionally, add any relevant **notes** – for example, food allergies or intolerances for dinner, or anything else you think we should know.

A **confirmation** message will appear under the event details. Feel free to add it to your **calendar** using the button on the right!
